

Stay with me

by

midKnightwolf

Why?

Why do you all have to go?

I was soo alone before

and now the one chance

to get something I never had

and now they're all leaving.

Don't go!

I need you. your kittens are wonderful and

I feel that they are apart of me too.

I know we are different

no one knows that

more than me

But that doesn't change how I feel

for you or the kittens

Don't leave. I'll take care of you.

All of you I swear.

Duchess don't go. please I'll make you happy

and the kittens too.

But I see that your mind is made up.

I can't change that.

I'll never say how much it would hurt but

I'll let you go back

home.

I know I'll have the alley cats

but what you gave me was so much more.

I'll never regret walking down the river and crossing that bridge

or jumping off one to save Marie

or nearly getting hit by a truck for you

I'll always remember the angel with sapphire eyes

the way you spoke was like cool milk

a song to my ears

and how beautiful you look.

And you will raise your kittens to be great cats

one day.

Duchess

I love you and I'll never forget you.

goodbye.....
