

The Princess

by

She's the prettiest
I've ever seen
I had first saw her as a litte cub
And Oh!
How cute she had been!

She is the prettiest,
The king is very proud of her,
I love her with all my heart,
Can I kill her father and hurt her?
No, never ever!

You ask me who is she?
Didn't you understand?
It's the princess, you fool!
It's princess Kiara
The prettiest one of the land
Wearing a Tiara.
